

GI VICKY
GROUP OF INDUSTRIES

YOU ARE THE FIRST

MANUFACTURER OF

Motobike Racing Suite's
Martial Art's
&
Sports Wear's
Equipments

WWW.VICKYINDUSTRY.COM

WELCOME

TO VICKY INDUSTRY

As a premium sports goods, leather dresser and leather supplier, we source the finest fabrics, leather rexine, and leather from Pakistan and international tanneries and then our team of trained professionals finish it to the standard that you expect. The finished product can be tailored to every specification that you require. From texture, colour and feel all the way to size and delivery requirements – we've got it covered. We pride ourselves in maintaining the highest standards and providing the most competitive prices.

Currently, we supply numerous leather goods manufacturers whose products include; Biker's Gloves, Biker's Suit, Bjj & Karate Products, Boxing Products, Fashion World, Gym Wear, Hoodie, Leather Bag, Leather Gloves, Leather Jacket and other high quality accessories. These are then sold to markets across the world.

The company has recently acquired a new site based in the beautiful Sialkot City. The newly refurbished factory has enabled the business to meet the demands of its recent, rapid growth.

ABOUT US

WHO WE ARE?

“VICKY GROUP OF INDUSTRY” as leading manufacturers of customizations designs, we provide OEM and ODM services based on PAKISTAN. We are specialized in the customization of all products in the industry. We are equipped with a most professional and experienced team and capable to develop any kind of design with the highest quality standards.

WE MAKE YOUR IDEA LIVE!

Ready for your group to stand out in style? An entire team of expert artists is ready to make that happen every time you order with Vicky Industry. Our team reviews every order and every design for sizing, contrast, and layering issues, and if your uploaded design doesn't look exactly the way you want, we can enhance and recreate it to ensure perfect printing. For extra complicated designs we can even send you a sample upon request. We will do whatever it takes to make sure the design in the box matches the design in your head (or better).
